Hi Alice, I'm sorry to hear about your daughter being sick. Family first. If it is OK for me to call, I will call you shortly, otherwise I can reach you tomorrow.

Or if it's easier for me to email you, I can do that. Just let me know. Thanks, Tirza

Subject: Follow up to CAG meeting on Lower Passaic River

Hi Alice, I recently joined The Trust for Public Land and was at yesterday's CAG meeting on the Lower Passaic River. I would like an idea on expected time frame on the FFS after it is issued. How long until it becomes a Record of Decision? I assume the parties have a right to challenge the ROD. I will follow up this email with a call to your office on Monday.

Thank you for an excellent presentation.

Sincerely,

Tirza Wahrman, Esq.
